

To whom it may concern,

This letter clarifies the relationship and trading conditions of Lux Trading Firm with their broker, Global Prime. Lux Trading Firm offers live trading accounts, beginning with 82 and 8 digits long, i.e. 82xxxxxx.

Lux Trading Firm are confirmed to be using an A-book only style of trading with Global Prime, sending all trades to the real market without exception. We will not knowingly issue demo credentials, or live accounts to any prop firm if they do not uphold our trading standards.

1. No profit or revenue-share is earned from client losses for any account.
2. The proprietary trading firm does not run a b-book, demo, or hybrid model.
3. All live trades sent to Global Prime reach the real market without exception.
4. Live accounts are all funded and satisfy stringent margin requirements.

Global Prime will not continue any proprietary trading firm relationship if these rules are breached. We commit to serving traders with transparency, without conflict-of-interest and will vigilantly uphold these standards and integrity.

Any questions and feedback are very welcome and can be directed to Jonah Ink, Head of Partnerships for Global Prime, via partners@globalprime.com or via telephone, +61 2 8379 3613.

Best wishes,
